Dear Sirs:

This paper is filed in response to the Notification of Non-Compliant Appeal Brief mailed December 18, 2008. The Notification states that claims 44 and 50 are not consistent with the last entered amendment filed December 27, 2006. Appellants submit the last entered amendment was actually filed on February 13, 2007, in response to a telephone interview with the Examiner. The amendment filed February 13, 2007 was entered, and the final office action mailed May 1, 2007 responded to the claims as amended. The claims filed in the Appeal Brief are consistent with the amendment of February 13, 2007, thus the Appeal Brief is believed to be compliant.

Respectfully submitted,
THOMAS W. DAVISON et al.
By their Attorney,

Date: 1/9/09
